

TECHNOLOGY & COSTS**Biorenewable Insights****Sustainable Fertilizers**

Table of Contents

A Report by **NexantECA**, the Energy and Chemical Advisory company

Published Date: December 2023

www.nexanteca.com/subscriptions-and-reports**Contents**

1	Executive Summary	1
1.1	Overview.....	1
1.2	Technology Analysis	2
1.3	Economic Analysis	3
1.4	Capacity Analysis	5
1.5	Carbon Intensity Analysis.....	6
1.6	Implications to Conventional Technology.....	7
2	Introduction.....	8
2.1	Background	8
2.2	Fertilizer Value Chain	9
2.2.1	Nitrogenous Fertilizer	10
2.2.2	Phosphate Fertilizer	14
2.2.3	Potassium Fertilizer	16
2.2.4	Multinutrient Fertilizer	16
2.3	Drivers for Sustainable Fertilizers	17
2.3.1	Policy Drivers	17
2.3.2	Sustainable Fertilizer Production	18
2.4	Scope of the Report	20
3	Nitrogenous Fertilizer Technology Analysis	21
3.1	Ammonia Synthesis.....	21
3.1.1	Overview	21
3.1.2	Conventional Ammonia Synthesis	25
3.1.3	Lithium-Mediated Indirect Electroreduction of Nitrogen	35
3.1.4	Comparison between Conventional and Developing Routes for Ammonia Synthesis.....	39
3.2	Hydrogen Production.....	40
3.2.1	Conventional Hydrogen Production	40
3.2.2	Electrolysis	53
3.2.3	Conventional versus Developing.....	72

3.3	Carbon Capture and Storage	73
3.4	Nitrogen Production.....	84
3.5	Urea.....	85
3.5.1	Overview	85
3.5.2	Chemistry	85
3.5.3	Process Description	86
3.6	Ammonium Nitrates.....	88
3.6.1	Overview	88
3.6.2	Process Description	89
4	Phosphorus, Potassium, and Multinutrient Fertilizers Technology Analysis.....	99
4.1	Phosphorus Fertilizers.....	99
4.1.1	Overview	99
4.1.2	Phosphorus Recovery and Recycling	99
4.1.3	Ammonium Phosphate	102
4.2	Potassium Fertilizers	106
4.2.1	Overview	106
4.2.2	Biological Potassium Fertilizer (BPF) / K-biofertilizer.....	106
4.2.3	Potassium Recovery from Agricultural Residues, Manure and Composts	106
4.3	Multinutrient Fertilizers	107
4.3.1	Overview	107
4.3.2	Nitrophosphate Fertilizers	107
4.3.3	Nano-fertilizers Production	110
4.3.4	Bioformulation Fertilizers Production	110
4.3.5	NPK Nutrients Recovery Technologies.....	110
5	Economic Analysis	114
5.1	Methodology.....	114
5.1.1	Sources	114
5.1.2	Costing Basis	114
5.1.3	Capital Cost Elements.....	115
5.1.4	Operating Cost Elements	118
5.2	Key Inputs	121
5.2.1	Model Configurations	121
5.2.2	Pricing Basis.....	123
5.3	Cost of Production Model.....	124
5.3.1	Blue Ammonia	124
5.3.2	Green Ammonia	130
5.3.3	Ammonium Fertilizers.....	137
5.4	Comparative Economics	171
5.4.1	Ammonia	171
5.4.2	Ammonium Fertilizers.....	173
6	Capacity Analysis	178
6.1	Blue Ammonia	178

6.2	Green Ammonia	179
6.2.1	Existing Capacity	179
6.2.2	Planned Major Projects	179
7	Carbon Intensity Analysis	182
7.1	Carbon Intensity Methodology	182
7.1.1	Process Emissions	183
7.1.2	Utility Emissions	184
7.2	Results	186
8	Implications for Conventional Technology	191
8.1	Overview	191
8.2	Sustainability in Nitrogenous Fertilizer Value Chain	192
8.3	Sustainability in Phosphate and Potassium Fertilizer Value Chain	194

Appendices

A	References	195

TECHNOLOGY & COSTS

Biorenewable Insights

The NexantECA Subscriptions' Biorenewable Insights program is recognized globally as the industry standard source for information relevant to the chemical process and refining industries. Biorenewable Insights reports are available as a subscription program or on a single report basis.

Contact Details:

Americas:

Steven Slome, Principal, Biorenewable Insights

Phone: + 1-914-609-0379, e-mail: sslome@NexantECA.com

Erica Hill, Client Services Coordinator, Subscriptions and Reports

Phone: + 1-914-609-0386, e-mail: ehill@NexantECA.com

EMEA:

Anna Ibbotson, Vice President, Sales and Marketing

Phone: +44-207-950-1528, aibbotson@NexantECA.com

Asia:

Chommanad Thammanayakatip, Managing Consultant

Phone: +66-2793-4606, email: chommanadt@NexantECA.com

NexantECA Subscriptions and Reports provide clients with comprehensive analytics, forecasts and insights for the chemicals, polymers, energy and cleantech industries. Using a combination of business and technical expertise, with deep and broad understanding of markets, technologies and economics, NexantECA provides solutions that our clients have relied upon for over 50 years.
